

Board & leadership teams personally interviewed every person on your list. We evaluate them impartially against our core principles of limited government, personal & fiscal responsibility, rule of law, & national sovereignty. Our efforts are funded by individual donors, which means candidates cannot buy our support as they do most other lists. We interview the candidates, our team conducts a straw poll, & we share those winners with you as a starting place for your own research. At the True Texas Project, we will never tell you how to vote, but we'll do all we can to help you make your own informed, sensible decisions!

Our endorsements are for contested races only, & they are not endorsements unless specifically noted. We all know that often we don't simply pick the lesser of all evils. We all must choose someone, and we must choose who it is for us.
